

## SPECIMENS NAMED AFTER SPENCER

### LAND SNAILS

MV F 76684 Bothriembryon spenceri  
MV F 28295 Bothriembryon spenceri

### FLATWORMS

MV F 41472 Geoplana spenceri  
MV F 41475 Geoplana spenceri  
MV F 41473 Geoplana spenceri  
MV F 41474 Geoplana spenceri

## SPECIMENS NAMED BY SPENCER

### EARTHWORMS

MV F 40004 Acanthodrilus eremius  
MV F 40032 Cryptodrilus ellisii  
MV F 40033 Cryptodrilus ellisii  
MV F 40050 Cryptodrilus hobartensis  
MV F 40039 Cryptodrilus insularis  
MV F 40046 Cryptodrilus irregularis  
MV F 40083 Cryptodrilus mortoni  
MV F 40041 Cryptodrilus polynephricus  
MV F 40075 Cryptodrilus wellingtonensis  
MV F 40182 Megascolides simsoni  
MV F 76822 Megascolides sinuosus  
MV F 41412 Diporochaeta davallia  
MV F 40199 Perichaeta hoggii  
MV F 40288 Perichaeta irregularis  
MV F 40292 Perichaeta moroea  
MV F 41422 Perichaeta scolecoidea  
MV F 40290 Perichaeta scolecoidea  
MV F 40289 Perichaeta tasmanica

### HYDROZOA

MV F 60367 Clathroozon wilsoni  
MV F 58416 Clathroozon wilsoni  
MV F 73902 Clathroozon wilsoni  
MV F 58417 Clathroozon wilsoni  
MV F 58415 Clathroozon wilsoni  
MV F 58414 Clathroozon wilsoni  
MV F 58413 Plumularia procumbens  
MV F 58410 Plumularia procumbens  
MV F 58412 Plumularia procumbens  
MV F 58411 Plumularia procumbens

### FLATWORMS

MV F 41451 Cotyloplana punctata  
MV F 41452 Cotyloplana whiteleggei  
MV F 41453 Cotyloplana whiteleggei  
MV F 41459 Geoplana dendyi  
MV F 41463 Geoplana frosti  
MV F 41479 Rhynchodemus dubius  
MV F 41480 Rhynchodemus fasciatus  
MV F 41481 Rhynchodemus grandis  
MV F 41482 Rhynchodemus laterolineatus  
MV F 41483 Rhynchodemus mediolineatus

*INCERTAE SEDIS*

- MV F 78260 Hologloea dubia  
MV F 79851 Hologloea dubia

**SPECIMENS COLLECTED BY SPENCER**

*FRESHWATER MUSSELS*

- MV F 21909 Unident. Hyriidae

*FRESHWATER SNAILS*

- MV F 54870 Unident. Bithyniidae  
MV F 76710 Unident. Planorbidae  
MV F 7610 Austropeplea lessoni  
MV F 7025 Austropeplea lessoni  
MV F 7607 Thiara balonnensis  
MV F 78264 Notopala sp..  
MV F 78746 Notopala essingtonensis  
MV F 78331 Notopala essingtonensis  
MV F 78268 Notopala essingtonensis  
MV F 738 Notopala essingtonensis  
MV F 78266 Notopala essingtonensis  
MV F 78323 Notopala essingtonensis  
MV F 739 Notopala essingtonensis  
MV F 78338 Notopala essingtonensis  
MV F 78225 Notopala essingtonensis  
MV F 78337 Notopala essingtonensis  
MV F 78340 Notopala essingtonensis  
MV F 78226 Notopala essingtonensis  
MV F 78227 Notopala essingtonensis

*LAND SNAILS*

- MV F 76691 Basedowena squamulosa  
MV F 76708 Eremopeas interioris  
MV F 7608 Granulomelon arcigereus  
MV F 7616 Granulomelon grandituberculata  
MV F 28282 Pleuroxia adcockiana  
MV F 7609 Pleuroxia adcockiana  
MV F 76698 Pupoides contrarius  
MV F 76692 Sinumelon sp.  
MV F 76690 Sinumelon fodinalis  
MV F 76685 Sinumelon fodinalis  
MV F 7612 Sinumelon perinflata

*FLATWORMS*

- MV F 41456 Geoplana adae extralineata  
MV F 41457 Geoplana adae fusca  
MV F 41458 Geoplana alba roseolineata  
MV F 41459 Geoplana dendyi  
MV F 41463 Geoplana frosti  
MV F 41465 Geoplana howittii obsoleta  
MV F 41467 Geoplana minor  
MV F 41471 Geoplana regina  
MV F 41474 Geoplana spenceri  
MV F 41473 Geoplana spenceri

MV F 41475 Geoplana spenceri  
MV F 41472 Geoplana spenceri

*LEECHES*

MV F 40851 Euranophila centrale

*EARTHWORMS*

MV F 42112 Notoscolex tasmanianus  
MV F 40199 Perichaeta hoggii

## A. MAMMAL SPECIES DESCRIBED BY W.B.SPENCER (WBS)

NB: all are central Australian species except for the wombat

Kowari

*Dasyercus byrnei* (Spencer, 1896)

WBS described this species as *Dasyuroides byrnei*

Fat-tailed Antechinus

*Parantechinus macdonnellensis* (Spencer, 1895)

WBS described this as *Phascologale macdonnellensis*

Stripe-faced Dunnart

*Sminthopsis macroura* (Gould, 1845)

*Sminthopsis larapinta* Spencer, 1896 is a synonym of *S. macroura*

Long-tailed Dunnart

*Sminthopsis longicaudata* Spencer, 1909

Sandhill Dunnart

*Sminthopsis psammophila* Spencer, 1895

Lesser Bilby

*Macrotis leucura* (Thomas, 1887)

*Peragale minor* Spencer, 1897 is a synonym of *M. leucura*.

Desert Bandicoot

*Perameles eremiana* Spencer, 1897

Common Wombat

*Vombatus ursinus* (Shaw, 1800)

*Phascolomys tasmaniensis* Spencer & Kershaw, 1910 is a synonym of *V. ursinus*

## B. MAMMAL SPECIES NAMED AFTER SPENCER

Kultarr

*Antechinomys spenceri* Thomas, 1906

(Note: this has been synonymised with *Antechinomys laniger* (Gould, 1856))

Spencer Herp specimens

*Varanus spenceri* Lucas & Frost 1903 (goanna)

*Limnodynastes spenceri* Parker 1940 (frog)

*Pseudemoia spenceri* (Lucas & Frost 1894) (skink)

*Philoria frosti* Spencer 1901 (frog)

*Litoria spenceri* Dubois 1984 (spotted tree frog)

Dubois has demonstrated that the name *Hyla maculata* Spencer 1901, originally proposed for this taxon, is a primary homonym of a South American species, and has coined *Litoria spenceri* as a replacement name.
